

Great by 8 Monthly Meeting
Monday, November 20th
7:00 – 8:30 PM
Charter Oak International Academy

(We will meet in the Library. Use the parking lot and entrance on Oakwood Avenue.)

Please join Great by 8 on Monday as we work to empower and educate families in our community to advocate for our young children. Whether this is your 1st or 10th meeting with us, we can't wait to see you and get to work together!

We will begin by welcoming guest speaker **Samantha Dynowski, Director of Advocacy and Outreach at the Connecticut Early Childhood Alliance**. She'll speak to us about the work of the CT Early Childhood Alliance, current issues impacting early childhood, and how we can work to be effective advocates for our children.

For the second half of our meeting, we will break into our four **Great by 8 workgroups**. The workgroups will discuss and plan the work we will undertake together.

- Quality Care for Infants and Toddlers
- Developmentally Appropriate Learning Experiences for Pre-K Children
- Social & Emotional Health of Elementary Children
- Co-Create Equity for Families Living in Poverty and/or Experiencing Racism
