College Park High School
Kevin Chase Memorial Scholarship

The Chase Family Trust wishes to establish an annual scholarship to assist a graduating College Park High School senior who has an interest in the area of biological sciences, with the understanding that an applicant demonstrating greater financial need in another area of study will also be considered. We also place an emphasis on community service, beyond any requirements of College Park High School. We intend to provide to one student attending a community college or a four year university the one time amount of $1,000.00.

The scholarship is a memorial to Kevin Chase, who graduated from College Park High School in 1981. Kevin was not the best student in his class, however, he went on to graduate from Chico State University. He was a remarkable adventurer who will be remembered by all who knew him. He died unexpectedly on October 30, 2015 at his home in Chico, CA.
