FLORIDA INTERNATIONAL UNIVERSITY

Special Edition

Join Our Team!

We are in search of dedicated students that would like to join our team of interns!

Internships help you with easing the transition from being a student to entering the workforce, increasing self-confidence in the workplace while developing an expanded network of peers and professionals, and they help you experience personal growth and exposure to different job opportunities.

The below internship positions are currently open and ready to be filled:

- Communications
- Outreach & Events
- STARS
- Zero Waste
- Nature Preserve
- Graphic Design

Communications Internship:

The Office of University Sustainability is looking for an outgoing and creative communications intern to support our outreach objectives through social media and monthly newsletters. The communications intern will coordinate our Facebook, Twitter, Instagram, and Flickr accounts through regular, and engaging posts. Outreach includes scheduling weekly, themed posts and event promotion. The communications intern will also be in charge of creating and distributing an office monthly newsletter that highlights upcoming events and job opportunities, as well as topical information.

**Outreach & Events Internship:**

The Office is seeking a personable and hard working Outreach and Events Intern to assist with the planning, promotion, and execution of events held by the office. The Outreach and Event intern will work closely with the Communications intern to promote events through social media. Must be willing to attend events on nights or weekends.

**STARS Internship:**

The Office of University Sustainability is seeking a self-motivated and organized intern to assist with the FIU STARS Report. This report requires basic knowledge of sustainability and environmental topics and the ability to communicate effectively. Intern will assist by meeting with different stakeholders around campus to gather sustainability information and input it into the report. Intern may also help develop programs needed to receive further points on the report. The STARS report is a program of AASHE. To learn more about it, click below.

Zero Waste Internship:

This intern will have the opportunity to work on a wide variety of waste reduction initiatives including recycling, reuse and composting. The Zero Waste intern will also have the opportunity to develop outreach efforts through social media and tabling.

Nature Preserve Internship:

Through hands-on field experience interns will learn about and contribute to the enhancement of our campus through the restoration of our pine rockland, which recently underwent a prescribed burn, the improvement of our thriving hardwood hammocks, and the expansion of our pollinator gardens. Students will also gain a valuable experience and learn skills in leadership and time management by

assisting the Naturalist in running volunteer days and guided tours.

Graphic Design Internship:

The office is looking for talented students with a background in graphic design to assist in the creation of graphics for marketing and advertising. Graphics include, but are not limited to, the creation of website and newsletter graphics; office annual reports; event flyers, logos, and website banners; and general office pamphlets.

Internships are generally a minimum of 5 hours a week and will

provide a great chance for design students to add to their portfolio.

To apply please fill out the application below and email to GoGreen@FIU.edu along with a copy of your semester schedule and some samples of previous work.
