

HOWARD GRANT, J.D., M.D.

LAHEY HEALTH

PRESIDENT AND CEO

BIOGRAPHY

*A physician, attorney and health care chief executive, **Howard R. Grant, J.D., M.D.**, the president and chief executive officer of Lahey Health since November 2010, has played a vital role in influencing patient safety and superior clinical care for more than two decades at some of the nation's most preeminent health care institutions.*

In May 2012, Lahey Clinic Foundation and Northeast Health System formed Lahey Health, a next generation health care system comprised of award-winning hospitals, primary care providers, specialist physicians, behavioral health, and senior care resources and services throughout Eastern Massachusetts and Southern New Hampshire. As president and CEO of Lahey Health, Dr. Grant is building what is next in integrated health care: making high-quality health care more personal, innovative and accessible.
