GLOBAL COMMERCIAL REAL ESTATE BOOTCAMP

**Acquire the skills necessary to work with
Inbound Real Estate Investment**

\$28.6 Billion from China alone in 2015. With global financial changes including BREXIT, major shifts in capital flow are in the works.

This 2-day bootcamp provides U.S.-based real estate practitioners, developers, asset managers, bankers, attorneys, CPAs, and allied professionals with the keys to successfully do business with inbound commercial real estate investors. Participants will learn how to:

- Qualify inbound investment prospects
- Discover investor motivations like EB-5
- Navigate cultural and business differences
- Monitor U.S. government regulations, international taxpayer ID
- Assess how currency fluctuations affect investment returns
- Inbound & Outbound Tax implications
- Foreign Bank Account Reporting
- Differences in System and Practice
- Major Global Trends
- Operating Globally
