

## Seminar Day & Open House at Rex Marine

January 14<sup>th</sup> 2017

"a good excuse to "talk boats" in the winter" !!

---

Join us for a day of boating seminars and a chance to see some beautiful Formula boats. Food & Beverages, Nautical Boutique items from Norwalk Cove, Power Squadron display and more...

### Seminar Schedule (each 45 minutes long)

Time	Seminar	Description
9:00	Outboard & Inboard Engine Maintenance	Jeff King, Mercury Marine Master Technician will discuss how to take care of modern outboards and gas inboards
10:00	Raymarine Electronics	Tom Pitasi of Raymarine / Flir will present the latest & greatest, plus demo equipment
11:00	VHV Use & Safety	Capt. Rick Delfosse will review VHF basics and why you need to connect your DSC VHF to your GPS
12:00	Anchoring Basics	Learn modern anchoring methods from a Formula & power boat point of view (expand your horizons!)
1:00	Marine Electronics Today	Capt. Rick will review what's important & what you need to know, with an introduction to PC/Mac & tablet navigation
2:00	Trailering Basics	Rex has been amazed at the shape of recent visiting trailers. Time for some basics
3:00	Watersports & Towing	Learn tricks and tips for watersports, wakeboarding and wakesurfing in the Norwalk area and on Long Island Sound
All Day	A&S	Mark Passieri from A&S Boats (with a showroom coming to Rex) introduces Chaparral, Moomba & Sun Tracker Boats
9:00 - 1:00	Boat Financing	Join Vincent Luzietti from Trident Funding Corporation to learn all about financing your new boat
