

## Welcome Desk Positions Available

Since the election, we have seen a dramatic increase in newcomers finding their way to UUCA joining a trend that other UU churches nationally are reporting. The expectation is that this trend will continue for some time as people seek spiritual renewal and refuge during this historic, and for some disorienting, time of change in our country.

The Sunday Welcome Desk is a first touchstone for newcomers to UUCA and an important expression of our hospitality and invitation to fellowship. We have space on our roster for a few more Welcome Desk volunteers. The individual commitment asked of our volunteers is relatively modest but has a big impact for UUCA. Volunteers are asked to staff the desk with another volunteer during a minimum of one Sunday service per month. It's fun and meaningful work, and you meet the nicest people.

If you think you would enjoy staffing the Sunday Welcome Desk, please contact **Bruce Rieder** ([brieder@comcast.net](mailto:brieder@comcast.net)).
