

SAMPLE: American Cancer Society Nomination - 2014

Carole has been an active supporter and volunteer of the American Cancer Society for over 10 years. Carole has also served as member of the American Cancer Society's Board of Directors and as Vice President of the Warren County Volunteer Leadership Council. Through the Cancer Action Network, she has been an avid advocate for legislative issues and patient rights.

Carole has participated in numerous Relay for Life events and the Pan Ohio Hope Ride. She has walked, run and biked hundreds of miles and raised thousands of dollars for the American Cancer Society's life-saving mission and for the Hope Lodges that provide free housing for cancer patients and their families. Carole has generously included the American Cancer Society as a beneficiary of her retirement plan. As a planned giving donor, Carole has shared her story and encouraged others to consider including ACS in their plans as well. Carole's gift will help fund life-saving cancer research, as well as support crucial patient programs and services. Her gift will also help provide vital prevention and early detection efforts. As a volunteer, donor, leader, and a cancer survivor herself, Carole is working to help the American Cancer Society fulfill its mission of a world with less cancer and more birthdays.

The American Cancer Society is eternally grateful to Carole Blackschleger for her inspiration and her enduring dedication to helping the ACS finish the fight against cancer in this century.
