

September 2017 Bulletin and Tower Submission for Teen Outreach

Attention All High Schoolers:

Teen Outreach is a great way to contribute to your community in a fun and meaningful way and to develop skills that will help you at school, in your future careers and in your life!

Last year our projects included stuffing and donating more than 60 backpacks for Apostles House and Philips Academy, making quick release safety bracelets for deployed service people overseas, cleaning up the Woodcliff Lake Reservoir in canoes and helping organize food for a Thanksgiving Drive.

Please join us for our first meeting this year, on **Sunday September 17th from 6-7:30pm** in the Parish Hall at St E's. We will make dinner together and will assemble Back to School Backpacks for Apostles House, which provides 35 beds for homeless or at-risk women and their children.

ST E's ECW has asked our congregation to help out this project by bringing school supplies and new backpacks to church between now and September 17th so we can provide as many backpacks for these kids as possible. As you're doing your back to school shopping, please consider picking up some extra supplies or a backpack to contribute to this project.

Thank you and see you in September 17th!
