## Drop Off / Pick Up Tips

**Dear Parents - Congratulations! We are in Week 6 of school. Now that we have found our groove, we would like to give you some tips for school drop off and pick up. School traffic gets heavy, so our goal is to be safe and to have traffic flow quickly.**

**Drop off** is from 7:30 am - 8:00 am on Caley.

**Pick up** locations and times change depending on the grade/carpool of the oldest sibling.

**We are here to help!** Stay in your cars and we will be sure your children get to you. Ms. Sadie and Mrs. Waldron are outside in the mornings and will assist students. If you need help please honk your horn to get our attention and we will be there for you. All teachers will be walking K-4 students to their cars in the afternoon. They will assist in getting your students to you.

**Passenger Side:** Please have your student exit the car on the passenger side of the vehicle.

**Please stay in line.** As students reach their cars the line will progress - promise. Pulling out of the car line or cutting inevitably slows down the process and is disrespectful to all those that are waiting their turn.

**Signs are posted** to help you go through the pickup/drop off line.

**Parking lots are closed at 7:25-8:15 am and from 2:45-3:45 pm.** If you find yourself parked in the lot during these times, please stay in the lot and a staff member will open the lot after car line is complete. We are sorry that this detains you, but this is for the safety of the students.

### **Other Helpful tips:**

The back lot is reserved for staff parking and afternoon dismissal.

Helping your students to be ready to exit the car when they get to school helps them prepare for departure and their day of learning and adventure!

By limiting the use of your trunk for holding student's backpacks, we can move the line even quicker and safer, especially in ice and snow.

**Detailed information** can be found here [www.cherrycreekacademy.org](http://www.cherrycreekacademy.org) Look for the For Parents tab and then the Parking and Traffic section. If you have any questions contact Sadie (our Traffic Supervisor) at [sjesienouski@cherrycreekacademy.org](mailto:sjesienouski@cherrycreekacademy.org).
