The Quartet

Jericho Road is a Southern Gospel group based out of Findlay, Ohio and is made up of four saved Christian men who have dedicated their lives to spreading the Word of the Lord through their singing of the Gospel. The group, which was started in May 1998, has one single purpose. That purpose is to serve the Lord with the talents He has provided them and spread the news of our risen Savior, Jesus Christ, to the lost souls in this world

Jericho Road's newest project called, Show Me The Cross, has been released recently! This CD marks the 15th project that the group has released since they began in May 1998. This year marks the group's 20th year anniversary!
