**PRAYER  
FOR A WOMAN  
IN NEED THERE IS NO  
GREATER GIFT**

You can make a real impact by praying for a specific mother at the very time she is making her pregnancy decision. If you believe in the power of prayer and the beauty of life, including life in the womb, then download the App for Life and start praying.

You can find resources near you and affiliate with your local parish, school, pregnancy center, or pro-life organization.

Alerts will be sent to you daily for women in unplanned pregnancies. Commit yourself to prayer and/or sacrifice for each alert to help save the life of a baby.

Continue to promote LIFE in your family by praying together, talking with your children about the dignity of all human life, and inviting others to use the App for LIFE. Search "Options United App For Life" in the App Store or Google Play to download this app today or go to [www.AppForLife.org](http://www.AppForLife.org)
