## **CO-ED RULE MODIFICATIONS**

1. Two batters of the same gender may never bat consecutively. A rotating/alternating batting order will be in effect.

2. All coed teams must have at least FIVE (5) players of each gender on the field at all times to play at full strength. If a team has only FOUR (4) players of either gender present, the team may still play with no more than FIVE (5) of the other gender. A team may play with a minimum of four (4) men and four (4) women.

3. 180' Arc Rule: All outfielders must remain behind the outfield restriction line (180 ft arc from home plate, 160' from home plate on the closed fields) until the batter (male or female) makes contact with the pitch. Penalty: Batter will be awarded first base unless he/she reaches it safely and all other runners advance one base safely. A maximum of 4 players (other than the pitcher and catcher) may be considered infielders.

4. All infielders, except the pitcher and catcher, must remain behind the first to second to third baselines until the batter makes contact with the pitch. Infielders may play at any depth, provided that they are not in front of the base paths. Penalty: Batter will be awarded first base unless he/she reaches it safely and all other runners advance one base safely. A maximum of 4 players (other than the pitcher and catcher) may be considered infielders.

5. A male batter who is walked on three consecutive balls with no strikes received during his turn at bat will be awarded 2nd base. Runners advance if forced.

## **GAME RULES AND INFORMATION:**

1. Each team is made up of 10 fielders. However, a team may not have more than 6 male players on the field at one time.

2. Teams with less than 3 woman or 8 total players playing in the field must forfeit.

3. Games will consist of 9 innings or a one-hour and five-minute time limit (innings in progress when the time limit expires will be completed), whichever comes first.

4. Lineups: Prior to each game, team managers will be required to write their lineup on the scorecard and submit it to the umpire or OCCSL Coordinator.
5. The game will be called when the winning team takes a lead of 20 runs or more after 5 complete innings.
6. Each batter will come to the plate with a 1:1 count.
7. A batter hitting a 2nd foul ball after the 2nd strike will be called out.
8. A male batter who is walked on three consecutive balls with no strikes received during his turn at bat (4-1 count) will be awarded 2nd base. Runners advance if forced.
9. Pitching - to throw a strike a pitch must go higher than the batter's head but not higher than 12 feet and land on the plate or mat behind the plate.
10. Illegal Pitch - if the umpire judges that a pitch has not gone higher than the batter's head or is higher than 12 feet, he/she will call out "illegal pitch" during the pitch. If the batter does not swing the pitch will be called an automatic ball. The batter does have the option to legally swing at a pitch called out as an "illegal pitch", however a swing by the batter removes the illegal pitch designation.
11. Stealing is illegal. Penalty - runner is out when contact is made with the "stolen base".
12. The base runner may lead off after the ball has been released from the pitcher's hand during the delivery. The runner is forced back to the base if the batter fails to make contact or on a foul tip caught by the catcher. If a fielder while standing on the base catches the catcher or pitcher's throw or tags the runner before the runner has retouched the base, the runner is out.
13. The base runner or batter/runner is out when he/she does not slide or attempt to get around the fielder when the fielder who has the ball is waiting to tag the runner out, or the runner was forced out.
14. When a base runner who comes into a base standing causes contact or interference with a fielder attempting a double play, the interfering runner and the runner who could have been put out without interference shall both be declared out.
15. An unlimited number of pinch runners are allowed for injury only. Pinch runner will be the player of the same sex that made the last out.
16. All outfielders must be at least 165 feet (behind the lined arc) from home plate until the ball is hit. Infielders may play at any depth, provided that they are not in front of the base paths. A

maximum number of 4 players (other than the pitcher and catcher) may be considered infielders.

17. Official score and time will be kept by the umpire on the field. Managers should verify the score after each half inning.

18. In the event a game ends in a tie, each team will be credited with a 1/2 game win and 1/2 game loss.

19. At the end of the game, managers should ask the umpire for the official final score. The score and team highlights should be emailed to [occs1@rcbo.org](mailto:occs1@rcbo.org) ASAP after your game.

20. Fake Tags: Any time an umpire sees a player use a "fake tag," the umpire shall rule "Obstruction" and the runner will be awarded an extra base if he/she does not reach the next base safely. Flagrant or repeated violations will result in the ejection of the fielder.

21. Pitcher's Rectangle: The rectangle will extend six feet back from the pitching rubber and will be the same width as the rubber. Pitchers may pitch from anywhere inside the rectangle. The same rules will apply to the pitcher's rectangle and the pitching rubber.

## **TIES**

1. If the time limit has expired and the game is tied at the completion of the current inning, both teams will be credited with a 1/2 win and a 1/2 loss.

2. League ties that have first or second place with the same record will be broken using the following system:

- i) Head-to-Head season record among tied teams
- ii) Run differential in all games played among tied teams.
- iii) Run differential in all LOSSES during the season.
- iv) Run differential in ALL games played.

NOTE: Any forfeited games may disqualify the forfeiting team.

## **FORFEITS**

Games shall be forfeited if:

1. A team is unable to field at least eight (8) rostered players at the time their team must take the field defensively in the first inning. The game will begin when the field AND the umpire are ready to start the game and the scheduled game time has been reached. The home team may choose to bat first but must take an out for every batting position short of 8 batters each time the vacant position comes to bat. Umpires are instructed to leave the field as soon as a forfeit has been called. Once a forfeit has been called, it is irreversible unless such a ruling is inappropriate.

2. A team is found to have used an illegal or non-rostered player. The OCCSL reserves the right to forfeit any and all games in which illegal players have participated, even if the discovery of such player(s) happens weeks after the incident.

3. In the opinion of the umpire/park staff, a manager does not have complete control of his/her team.

4. A team continues to delay the game.
