

REGISTERED APPRENTICESHIP INFORMATION SESSION

Learn how to develop and implement an employer driven Apprenticeship program that combines on-the-job learning with job related instruction to build worker skills and establish pathways to higher levels of employment and wages.

WEDNESDAY
NOVEMBER 30
2016

9:00 AM to 11:00 AM
Pennsylvania Highlands
Community College
Richland Campus
Johnstown, PA 15904
101 Community College Way

The session is open to all employers (large or small) interested in learning more about apprenticeship programs. There is no cost to participate. If you are interested in attending the session, please RSVP to Debi Balog, JARI Workforce Development Director at dbalog@jari.com or by calling 814-262-8366 or contact Marty Culp at mculp@sapdc.org.

Stuart Bass, Executive Director and John Tkach, Director of Projects from Keystone Development Partnership will be presenting the session. The session will cover the following information:

- 5 components of a registered apprenticeship program
- How to develop and implement a program in your company
- Technical assistance resources, customized training curriculum and potential funding options
- Benefits of implementing a registered apprenticeship program
