At Alleghenies United Cerebral Palsy, we value and appreciate the people we work with, and we're always looking for ways we can promote each person's independence. We focus on helping our community members get the services they need to live comfortably in their homes. We also assist them so they can stay active in things they care about. Our Mission is to meet everyone's basic needs and to increase the quality of life of children, youth, and adults with disabilities. To support people's independence, we empower them so they can participate in daily decision-making and in directing their services.

We are a non-profit organization firmly established in the Alleghenies and serving people throughout Pennsylvania. As a member of one of the largest nonprofit health organizations in the US, AUCP offers rewarding employment opportunities for people who want to work in the nonprofit, disabilities field. Our Service Coordinators/Case Managers Coordinate and monitor services, assist with set-up of treatment planning process, and maintain support for each consumer. Assist consumers with locating resources throughout their communities. Serve as an advocate on behalf of consumers' benefits.
