

2018 IYAK Photo Contest

It is a given that we all love to see pictures of yak. And there have been so many wonderful pictures posted on social media in the past few years. This year we would like to persuade you to enter up to four of your wonderful pictures in the IYAK NWSS photo contest in January.

High resolution (300dpi at 8 x10) photos will be entered by email. IYAK will format pictures to be of similar size and print them out on posters. IYAK requests that you allow us to use the photos in promotional materials and on your IYAK website. We do not list credits in these uses to avoid favoring one breeder/owner of another. We will, however, list the photographer's name, Ranch/Farm name and title for the photo contest. We are also looking for volunteers to sponsor the \$200.00 cost of offering photo contest. If you are interested in donating please contact Claire at secretary@iyak.org.

You do not need to be present to enter. No rules as to format or whether they are black or white, sepia or color, however there is a limit of four photos per photographer. We will announce the winners on Friday night at the banquet. Photos must be submitted by **January 1st, 2018**.

Please provide this information for each photo submitted:

Name of Photographer:

Ranch or Farm Name:

Title of Photo or Animal's Name:

Photo Files should be: jpeg, png, pfd, or psd. 300 dpi at 8 x 10 size labeled with your initials and title (e.g. PL_Bouncing baby bull.jpeg)

Send submissions to Christy Novak at christynovak427@gmail.com by **January 1, 2018**. You can also email Christy if you have questions about how to submit a photo.

And a huge thank you to Christy Novak for volunteering to make this happen!
