Estate and Succession Planning 101

Dr. Shannon Farrell, associate professor and agricultural law specialist at Oklahoma State University, utilizes a dynamic facilitation style and his experience in estate planning to equip you with applicable strategies as you consider the transition process on your farm.

- **Class size is limited; the online form will close when the class is full**
- **Program is FREE for Farm Credit Illinois member-owners**
- **Buffet meal is included**
- **Email questions to ask@farmcreditIL.com**

FCI educational workshops are intended to equip members with valuable information and strategies. FCI neither endorses nor recommends specific farm consultants, advisors, or services.
