

IMMERSION SCIENCE

at Esperanza College

ATTENTION HIGH SCHOOLERS

Join us for a week of FUN and SCIENCE at FlyLab hosted by Esperanza College & Fox Chase Cancer Center!

-  Get an introduction to basic genetics
-  Observe stages of fruit fly development
-  Make connections between diet & health
-  Go from benchwork bootcamp to experimental analysis in ONE WEEK!

June 26th to 31st
9:00 am to 1:00 pm
