Shop Owner Support Groups

Is Your Business Still Making a Profit? Need Motivation & Accountability?

All business owners need someone they can communicate with about how things are going in their business, bounce off ideas, get motivated and even a little accountability to get things done.

What is an S.O.S. Group? Think of it as your advisory board. Our S.O.S. Groups consist of no more than 10 shops that meet on a monthly basis. Meetings are similar to “twenty groups” without the intense financial focus or expensive monthly commitment. Groups meet each month at a participating shop to discuss relevant issues, set and review goals, and evaluate the hosting shop.

There is no cost . . . only your commitment to become a better owner/manager while helping others to do the same.
