

InterPlay

Dive Deep Into Creative Self-Expression

**Group meets monthly on 2nd Saturdays from 10:00 am til 1:00 pm
At the Unitarian Universalist Church on Center Road, Traverse City**

Explore yourself, your life, and the joy of creative expression using movement, sound, storytelling, stillness, and contact. Free your body and your voice, and deepen the connection with your creative self, all while cultivating meaningful community connection.

No experience is necessary—the focus is on exploration, authenticity, and enjoyable personal and group expression. Come join us for a joyful, creative, and transformative experience!
