

Hello UU Friends and Family in Faith!

The vast majority of the UU congregations that signed up for the #UUWhiteSupremacyTeachIn did so for either April 30 or May 7. We know that some of you will participate at a later date; we commend you all for this work. When was the last time two-thirds of all member congregations engaged in talking about important work at the same time? This is both historic and transformative. We honor you all.

So, what's next? Among many other things, a ***Follow-up Webinar***.

We will offer two times on the same day -- **Thursday, May 18, at 1 PM EDT, and again that night at 8 PM EDT**, to have as many people as possible participate, from worship leaders to attendees. The format of this webinar includes an opportunity for all of you to be a part of break out groups and talk to each other.

Here are some options for break out groups:

Worship
Music
Children's Chapel
Small Group Ministry/Covenant
Lessons Learned from Teach-In as a whole
Continuing the work in general
Planning another Teach-In or periodic Teach Ins
