DOUBLE TEAMING

Double teaming (being on more than one squad) has many benefits. Gym time is almost doubled, and an athlete has the opportunity to advance quicker as well as the advantage of being able to take on more than one role in a single season without doubling their tuition. The cost for double teaming this upcoming season will be only \$50 per month.

Would you like to be placed on more than one competitive team? Please check a box below.

Yes

No

ALTERNATE POSITIONS

We will be selecting alternates for our squads. An athlete will be placed permanently on one team, then can be an alternate on a second team. Alternates will be expected to attend practices and competitions with the team and will step in for absences of other team members, but will not pay the double teaming fees unless they are asked to become a permanent member of their second team.

Would you like to be considered for an alternate position?
