

PARENT COMMUNITY EVENT

Come hear the inspiring true story about one girl's dream to change the world.

While her life was tragically cut short during the Columbine High School shooting on April 20, 1999, Rachel Joy Scott's shining example of kindness and compassion was not defeated that day. Come hear the inspiring story of one girl's dream being fulfilled over a decade after her death. The presentation is a powerful reminder of the little things we can do every day to make our world a better place.
