

Show Me the Clients - The Top 5 Marketing Mistakes You Don't Even Know You Are Making!

Presented by: Liz Scott – The Business FireStarter

It can be hard work finding clients

Most entrepreneurs work really hard for their money. And let's face it; there is a LOT to do, especially when you are a one man or very small business! If you feel you are working very hard, yet not able to land enough clients, you are most definitely not alone. In fact this is how most entrepreneurs feel.

Many entrepreneurs are simply doing the wrong things

As a successful entrepreneur myself, I watch how most entrepreneurs spin their wheels trying to get clients. I watch them putting in loads of effort in and getting disappointing results. Unfortunately, most entrepreneurs are putting their efforts into the wrong actions, and pretty much guaranteeing themselves a very hard time with finding clients.

During this live talk I will show you:

- The 5 major Marketing mistakes that stop entrepreneurs from getting the clients they want
- The #1 reason entrepreneurs struggle to get clients and get their business into 6 figures
- My simple, no-fail 3 step process for generating a lifetime of clients
- The best methods of attracting clients that are working, right now based on what stage your business is currently in
- How to find your "Zone of Excellence" and make it a client attraction magnet!

These few simple steps will change your game for good

Luckily, just implementing a few of these powerful and deceptively simple steps will correct the problem and get you a healthy load of new clients in no time at all!
