JOIN US!

The Arizona Asthma & Allergy Conference provides education and networking for clinicians who care for patients living with asthma and allergies.

This educational activity is designed for practicing pediatric and adult primary care providers, asthma specialists (pulmonologists and allergists), pediatric and family nurse practitioners, respiratory therapists, pharmacists, nurses, school nurses, quality assurance and case managers, MA's and anyone else involved in the care of people with asthma and allergies to increase their knowledge of asthma best practices.

Conference Objectives

- ◆ Provide patient care providers the most current information on asthma and allergy management, education and research.
- ◆ Offer sessions in various areas of emphasis regarding asthma and allergy management in clinical practice, school asthma management and pharmacology.
- ◆ Empower participants to improve asthma care in Arizona and apply updated asthma therapy options.
