Tickets \$10; \$15 at the door

This film shines a light on cutting-edge alternatives to the demanding, high-pressure education system presented in *Race to Nowhere*. **BEYOND MEASURE** follows public schools across the country as they take the initiative to innovate from the inside.

By highlighting success stories, **BEYOND MEASURE** shows that it is possible to go beyond America's fixation on achievement and build a more empowering student-centered education culture from the ground up.
