

FOX VALLEY MEMORY CAFÉS

July, 2017

Memory Cafés welcome those experiencing early stage dementia, mild memory loss or cognitive impairment as well as family and friends of those affected. It's a great opportunity for lively discussions, information gathering, refreshments, camaraderie and lots of creative fun! We have a gerontology professional on hand to answer questions and an enormous wealth of experience among participants to be shared. Call Lynn Ann at (920) 225-1711 for more information.
