Frank Rippl will again lead the “On a Positive Note” chorus in practicing favorite and familiar songs to be performed at these events. This chorus is especially designed for those experiencing memory loss and their loved ones. No special musical skills are required. Plan to attend and put a little music in your life! It is not necessary to attend all rehearsals to participate!

Please let Lynn Ann know if you can join in this musical adventure by calling 920-225-1711 or emailing her at lynnann.clausing@lsswis.org
