SUBJECT: Billing Change for Fiscal Intermediary Services

Information for Fiscal and Billing Staff

Effective 8/1/17, there are new statewide monthly fees for Level 3 Fiscal Intermediary (FI) Services. The table below identifies the updated fee schedule as well as the information needed for billing the monthly FI Service to Medicaid. The authority for this change is identified in Amendment 01 of the OPWDD 1915(c) Home and Community Based Services (HCBS) Waiver. FI agencies will use the updated fee schedule when billing August 2017 services using the 9/1/2017 billing date of service, as this date covers services provided during the August 2017 service month.

FI Level	Rate Code	Locator Code	Statewide Monthly Fee
Level 1	4787	56	\$125
Level 2	4788	56	\$225
Level 3 – PRA below \$60,000	4789	56	\$500
Level 3 – PRA \$60,000 and above	4789	53	\$650

There are no changes to the amounts or the billing processes for FI Level 1 and FI Level 2. The only changes concern FI Level 3 where there is now a distinguished reimbursement amount based on the PRA of the individual served during the service month being billed for.

If you have questions related to billing the monthly FI Service, please email central.operations@opwdd.ny.gov.
