

## QURTUBA: RAMADAN REFLECTIONS

### Daily Reflections - Quranic Manners: A Story of Opposites

Daily, after Fajr prayer at ADAMS Sterling

*The Prophet (PBUH) said: "Whatever I have prohibited you to do, keep away from; and whatever I have ordered you to do, then do of it as much as you can"*

In light of this hadith, the daily reflections aim at presenting a good trait commanded by Allah and His prophet (PBUH), and the next day to present its opposite. This approach allows us to get a better understanding of these traits with the goal of implementing the prophet's command of completely avoiding the forbidden while adhering to the commandments to the best of our ability.
