ADAMS KHUTBAH REMINDER

The additional notes below are to help you benefit from the Khutbah.

Objective: To impart to the congregation a sense that Allah (SWT) is all seeing, all hearing and the ALL KNOWING.

- The transcendence of Allah (SWT)'s knowledge is the overwhelming absoluteness of it, which is unlike anything
 - *And with Him are the keys of the unseen; none knows them except Him. And He knows what is on the land and in the sea. Not a leaf falls but that He knows it. And no grain is there within the darkness's of the earth and no moist or dry [thing] but that it is [written] in a clear record. [6:59]*
- We are also commanded by Allah (SWT) to be wary of His knowledge.
 - *... And know that Allah knows what is within yourselves, so beware of Him. And know that Allah is Forgiving and Forbearing. [2:235]*
 - *Indeed, He knows what is declared of speech, and He knows what you conceal. [20:110]*
 - *And He is Allah , [the only deity] in the heavens and the earth. He knows your secret and what you make public, and He knows that which you earn. [6:3]*
- Only Allah (SWT) is complete in His knowledge; as such, we must interact with each other with humility in what we know and understand
 - *Only Allah SWT has the right to judge: O you who have believed, let not a people ridicule [another] people; perhaps they may be better than them; nor let women ridicule [other] women; perhaps they may be better than them. And do not insult one another and do not call each other by [offensive] nicknames. Wretched is the name of disobedience after [one's] faith. And whoever does not repent - then it is those who are the wrongdoers. [49:11]*
