

Please make checks payable to the Kent Library Association. We are a 501(c)(3) organization and your membership dues may be tax deductible. Many companies provide corporate matching funds to non-profits. This is an easy way for you to double your donation (or more!). Please check with your company's Human Resources department to find out if your donation is eligible for a corporate match.

The Library also accepts securities and in-kind contributions of products and services. If you are considering making a gift of securities or an in-kind contribution, please contact the Library at (860) 927-3761 for information on the proper procedures, including Depository Trust Company instructions.
