How ABIME Certification Advances Your Career

Certification through the American Board of Independent Medical Examiners (ABIME) sets you apart as an Internationally recognized medical examiner. ABIME certification represents the pinnacle of professional competency and integrity, instilling greater client confidence in your capabilities and identifying you as an experienced physician who understands the unique issues of disability evaluation. Doctors certified by ABIME meet the demand for quality, impartial impairment and disability evaluations. Exam will be offered from 5:00 pm - 9:00 pm on May 28, 2017 in Melbourne, AU and requires a separate application. Please visit www.abime.org for details and the application process.

Invitation from Professor Mohammed Ranavaya, MD, JD, FRCP

*Please accept my invitation to attend a comprehensive training program for the American Medical Association Guides to the Evaluation of Permanent Impairment (AMA Guides) 5th ed. In addition to the ABIME's usual high quality AMA Guides training, we are also offering the groundbreaking **NEW All Day workshop on Australian Comcare Guide to Assessment of the Degree of Permanent Impairment, Edition 2.1.***

The All Day Comcare Guides training on Friday, May 26, is specifically designed for doctors of all specialties, as well as physiotherapist, occupational therapist and lawyers.

The 8 HOURS LONG AMA Guides 5th edition training on Saturday, May 27, is specifically designed for doctors of all specialties, as well as psychiatrists, psychologists, internal medicine, physiotherapist, occupational therapist, lawyers and others who have already been trained in the use of the AMA guides 5th edition and now want to take their skills to the next advanced level. This workshop will rapidly review the AMA5 methodology and then cover 20 case studies including MSK, psych and internal medicine cases that would enhance the skills beyond the initial training in the AMA5. Anyone who has attended a one or two day AMA5 training previously should consider attending this new and advanced Complex cases studies workshop as it would help them advance their skills in the use of AMA5.

*There will also be **2 NEW Workshops on Sunday, May 28, 2017. Causation – What does the Science say? AND Medicolegal Skills and Court Room Testimony and Medicolegal Report Writing.** Whether you are a beginner or experienced user of the AMA Guides, you will find this training very useful in enhancing your skills to perform a high quality, valid impairment rating using the Comcare Guides and AMA guides 5th ed. I look forward to seeing you there.*
Mohammed Ranavaya, MD, JD, MS, FRCP, FFOM - President, ABIME
