

Help Decorate STM's Advent Giving Tree!

We are preparing for Christmas this *Advent* by decorating the *Giving Tree* in the halls with *"gifts for those who are homeless"* in Houston.

Please join us as we collect much needed items for **Star of Hope** homeless shelter here in Houston.

- ❖ Have your child choose an item from the list below ~ then have them place it under the Giving Tree in their hallway

We will complete this Service Project on **December 11th** so send your item in early as the kids love watching the *Giving Tree* "give to the homeless" more and more each day!

Matthew 25: 31-46 *Just as you did it to the least of these, you did it to me*
