**Thank you to everyone who helped in any way with our Book Fair.**

It's so easy to do things remotely on the computer, but it's "oh so nice" to meet family and friends face to face. That's exactly what we did in the library during our Catholic Schools Open House on January 26<sup>th</sup>. I enjoyed watching people smile at our Book Fair when they spotted special books to fit their reading needs and delights. Thanks for your generosity~to buy books for your family and classroom teachers! Thanks for visiting the book fair during lunch, recess, and after school. It was a wonderful success! Hopefully, all of the books purchased are providing hours and hours of reading enjoyment for your children

Our first Accelerated Reader General Store will open May, 2018. Students are encouraged to read carefully, take their AR quizzes, and accumulated points to "spend" at our AR General Store.

**"Thank You"** for printing your name and homeroom on forms (e.g. Pizza Hut Calendars, Box Top collection sheets/envelopes/zip lock bags, etc.) sent to the library.

**Accelerated Reader + Box Tops for Education =**

**A GREAT TEAM!!!**

**AR testing continues after school on Tuesdays and Thursdays** until 4:00 PM in the library. A parent is asked to accompany the testing student(s).
