4th & 5th Grade
Developmental Volleyball Program**

The rich tradition of St. Thomas More Parish Schools athletic program begins with teaching and learning the necessary skills at an early age. The 4th & 5th Grade Developmental Volleyball Program's mission is to support the total development of our young student athletes while emphasizing fun, sportsmanship, teamwork, and the development of self-esteem.

The student-athletes who participate in this program will have the opportunity to learn the benefits of teamwork, self-discipline, and personal responsibility. The student-athlete will be coached and given the chance to play in various tournaments throughout the volleyball season. Practice schedule, time, and cost to participate are outlined below:
