April is Poetry Month

KAIKU 2018 Poetry Contest

Eleven fourth graders, twelve sixth graders, one seventh grader and one eighth grader participated in Scholastic's celebration by writing a HAIKU about a topic of their choice. These students will receive 5 points on their Accelerated Reader score. We're hoping one of them will be notified that their original Haiku is one of ten winning entries. That student will receive 10 AR points to spend at our General Store in May. All submissions, which were mailed April 9th, became the property of Scholastic Inc.
