

TOGETHER WE GIVE. TOGETHER WE GROW.

ST. THOMAS MORE PARISH SCHOOL ANNUAL FUND

The Administration and Advancement Committee have been working on establishing an Annual Fund for St. Thomas More Parish School for over a year. This Annual Fund, *Together We Give and Together We Grow*, is part of our Strategic Advancement Plan. It was originally set to kick off on August 25, 2017. Due to Hurricane Harvey it was delayed.

This Annual Fund is vital to both short term and long term goals/needs of St. Thomas More Parish School. All families will receive more information in the mail next week. We are asking all STM families to consider making a gift or pledge to our Annual Fund at the level most comfortable for you at this time. Your gift to our Annual Fund may be directed to current needs of the school and/or to the Endowment which will enable the long term sustainability of St. Thomas More Parish School.

Please look for more information on *Together We Give and Together We Grow* in the coming weeks.
