Michael and Fanny Kalinowski will share results of the recently completed New Hampshire Child Care Market Rate Survey. They will also provide a picture of early childhood care and education in New Hampshire over the past 20 years, review rates and regional differences, identify trends and discuss current issues. Come find out how your participation in this survey affects reimbursement rates to child care providers.

*A drawing will be held for child care providers attending  
this presentation with \$350.00 in gift cards from  
Market Basket, Shaws, Staples, Dunkin Donuts, and Amazon.*
