

# Children's Winter Garden with White Wing School

The Children's Winter Garden with White Wing School was formed in 2016 by unifying two well established schools that are rich in their 50-60 year history. We are dedicated to providing the best developmentally appropriate preschool educational experience. At this time we are looking to hire a preschool teacher to join our friendly, vibrant and dynamic team environment. Recent early childhood graduates or teachers pursuing their degrees are encouraged to apply.

## Responsibilities:

- Develop and deliver curriculum founded on the centers philosophies.
- Build open communication with children and families
- Help to guide positive children's behaviors
- Be responsible to assess children and produce developmental profiles for parent teacher conferences
- Making sure learning environment is clean, hygienic and safe for all children
- Help to develop and implement teaching goals for the center

## You will need:

- Experience in an early childhood setting
- Certification in First Aid/CPR or willing to obtain
- At least 18 credits in Early Childhood Education courses, including Child Growth and Development
- Pursuing additional credits in ECE to obtain a degree
- To be able to work on a team with enthusiasm and willingness to work together in a harmonious environment

The hours for this position are 7:45am-12pm Monday through Friday. You also must be available for various evening family functions throughout the school year. Children's Winter Garden with White Wing School is a wonderful, enthusiastic environment to work in. If you are passionate about teaching and dedicated to Early Childhood education, please contact us at: [director@whitewingschool.org](mailto:director@whitewingschool.org) .
