

# The NH Early Childhood Leadership Summit: Part II Manage, Motivate & Retain Great Staff!

Join us for Part II of our 3rd Annual NH Early Childhood Leadership Summit, the *second* dynamic training day with internationally-known Child Care Business Success Mentor, Speaker and Author, Julie Bartkus. Continue the work from last fall, encouraging leadership and strengthening relationships with other early childhood educators. Refresh and restore your focus on the real struggles with issues like staffing, morale and teacher qualifications. Delve into what really motivates and de-motivates staff. Tap into unconventional approaches that allow you to attract the staff you really want. Reflect, grow and continue on the path to learn how to manage, motivate and retain great staff.
