# St. Michael the Archangel Stewardship Fund

St. Michael is one of the principal angels; his name was the war-cry of the good angels in the battle fought in heaven against Satan and his followers. The name Michael is a variation of Micah, meaning in Hebrew, "Who is like God?" The Feast day of St. Michael, celebrated September 29<sup>th</sup>, describes St. Michael in the Holy Scripture as "one of the chief princes" and leader of the forces of heaven in their triumph over the powers of hell. He has been especially honored and invoked as patron and protector by the Church from the time of the Apostles.

In 2014, an anonymous donor made a restricted gift of \$120,000 to better defend ourselves and enable the Church to stand on its own feet by teaching the tenants of stewardship. Given to benefit the Diocese in the name of St. Michael, it is being used to fund programing to enhance, create, and promote the pillars of "stewardship" within our parishes and Catholic ministries. All funds are being used to specifically assist pastoral and lay leadership in implementing new stewardship programs in parishes where none exist and enhance stewardship within existing parishes that teach and promote the gifts of time, talent, treasure, and oneself. These funds also provide the training, tools, motivation, and resources to assist parish staff, lay leaders, and volunteers with stewardship programming. To date, 66 scholarships have been awarded to parishes.

Purpose:

- (1) To provide an incentive scholarship for all parishes to send at least one delegate to an approved stewardship conference. Pastors accepting the \$1,000 incentive will agree to assign a parish chair for stewardship and to send at least one delegate to the *2018 Annual Diocesan Stewardship Conference* at Sacred Heart – Fleming Island's Sullivan Center on October 20, 2018.
- (2) To provide a second level of scholarships to parishes who choose to retain a recognized and approved stewardship consulting firm, company or materials to assist with instituting a stewardship program. In addition, any stewardship plan adopted or implemented must include educational and/or stewardship teaching that includes youth and young adults.

***Stewardship Scholarships can be used for ICSC or Msgr. McGread Stewardship Conference (corresponding application attached). Scholarships can be used for any of the following:***

1. One time cost of 2018 annual membership to ICSC (see ICSC information attached) for a parish (applies only to ICSC)

3. *Or* Up to \$1,000 in total costs to attend the 2018 conference  
*NOTE: Parishes will be responsible for hotel accommodations, travel, meals, etc. for either conference.*
4. Other Stewardship based conferences, seminars and/or workshops may also qualify at the same rate, upon approval of application.
