DISTRICT DISPUTE RESOLUTION PROCEDURE

Section 1. DISPUTES SUBJECT TO PROCEDURE: All disputes relative to membership, club boundaries, or interpretation, breach of, or application of the district (single or sub-) constitution and by-laws, or any policy or procedure adopted from time to time by the district (single or sub-) cabinet, or any other internal Lions District (single or sub) matter(s) that cannot be satisfactorily resolved through other means, arising between any clubs in the district (single or sub-), or any club(s) and the district (single or sub-) administration, shall be settled by the following dispute resolution procedure. Except as otherwise provided herein, any time-limits specified in this procedure may be shortened or extended by the district governor, or, in the event the complaint is directed against the district governor, the immediate past district governor, conciliators or the International Board of Directors (or its designee) upon a showing of good cause. All parties to any dispute subject to this procedure shall not pursue administrative or judicial actions during this dispute resolution process.

Section 2. COMPLAINTS AND FILING FEE: Any Lions club in good standing within the association (the "complainant") may file a written request with the district governor or, in the event the complaint is directed against the district governor, the immediate past district governor (a "complaint"), with a copy to the Legal Division, asking that dispute resolution take place under this procedure. The complaint must be filed within thirty (30) days after the complainant(s) knew or should have known of the occurrence of the event upon which the complaint is based. The complainant(s) must submit minutes signed by the club secretary certifying that a resolution in support of filing the complaint has been adopted by a majority of the entire membership of the club. A copy of the complaint shall be sent to the respondent(s).

A complaint filed under this procedure must be accompanied by a US\$750.00 filing fee, or its equivalent in the respective national currency, payable by each complainant to the district (single or sub-) which shall be submitted to the district governor or, in the event the complaint is directed against the district governor, the immediate past district governor, at the time the complaint is filed. In the event the complaint is settled or withdrawn prior to a final decision by the conciliators, US\$100.00 shall be retained by the district (single or sub-) as an administrative fee and US\$325.00 shall be refunded to the complainant and US\$325.00 shall be paid to the respondent (which shall be shared on an equal basis if there is more than one respondent). In the event the selected conciliators find the complaint to have merit and the complaint is upheld, US\$100.00 shall be retained by the district (single or sub-) as an administrative fee and US\$650.00 shall be refunded to the complainant. In the event the

selected conciliators deny the complaint for any reason, US\$100.00 shall be retained by the district (single or sub-) as an administrative fee and US\$650.00 shall be paid to the respondent (which shall be shared on an equal basis if there is more than one respondent). In the event the complaint is not settled, withdrawn, upheld or denied within the time frames established by this procedure (unless an extension has been granted for good cause), then the entire fee will be automatically retained by the district (single or sub-) as an administrative fee and shall not be refunded to any party. All expenses incurred relative to this dispute resolution procedure are the responsibility of the district (single or sub-), unless established district (single or sub-) policy provides that all expenses incurred relative to this dispute resolution procedure shall be paid on an equal basis by the parties to the dispute.

Section 3. RESPONSE TO A COMPLAINT: The respondent(s) to the complaint may file a written response to the complaint with the district governor or, in the event the complaint is directed against the district governor, the immediate past district governor, with a copy to the Legal Division, within ten (10) days of receiving notice of the complaint. A copy of the response shall be sent to the complainant(s).

Section 4. CONFIDENTIALITY: Once a complaint has been filed, communications between the complainant(s), respondent(s), district governor or, in the event the complaint is directed against the district governor, the immediate past district governor, and conciliators should be kept confidential to the extent possible.

Section 5. SELECTION OF CONCILIATORS: Within fifteen (15) days of filing the complaint, each party to the dispute shall select one (1) neutral conciliator and the selected conciliators shall select one (1) neutral conciliator, who will serve as chairperson. The selected conciliators' decision relative to the selection of the conciliator/chairperson shall be final and binding. All of the selected conciliators shall be Lion leaders, preferably past district governors, who are currently members in good standing of clubs in good standing in the district (single or sub-) in which the dispute arises, other than a club which is a party to the dispute, and shall be impartial on the matter in dispute and without loyalties to any party to the dispute. Upon completion of the selection process, the conciliators shall be deemed appointed with all authority appropriate and necessary to resolve or decide the dispute in accordance with this procedure.

In the event the selected conciliators cannot agree on the selection of the conciliator/chairperson within the time frame noted above, then the selected conciliators shall be automatically deemed to have resigned for administrative reasons and the parties must select new conciliators ("the second team of selected conciliators") who shall then select one (1) neutral conciliator/chairperson in accordance with the selection procedures and requirements described above. In the event the second team of selected conciliators cannot agree on the

selection of the conciliator/chairperson from within the district (single or sub-) in which the dispute arises, the selected conciliators may select one (1) neutral conciliator/chairperson who is a member of a club in good standing outside the respective district (single or sub-). In the event the second team of selected conciliators cannot agree on the selection of the conciliator/chairperson from within or outside the district (single or sub-) in which the dispute arises, then the past international director who most recently served on the International Board of Directors from within the district (single or sub-) in which the dispute arises or from an adjacent district (single or sub-), whichever is closest in proximity shall be appointed as conciliator/chairperson. The time limits in this Section 5 may not be shortened or extended by the district governor or, in the event the complaint is directed against the district governor, the immediate past district governor, or the conciliators.

Section 6. CONCILIATION MEETING AND DECISION OF CONCILIATORS: Upon being appointed, the conciliators shall arrange a meeting of the parties for the purpose of conciliating the dispute. The meeting shall be scheduled within thirty (30) days of the appointment of the conciliators. The objective of the conciliators shall be to find a prompt and amicable resolution to the dispute. If such conciliation efforts are unsuccessful the conciliators shall have the authority to issue their decision relative to the dispute. The conciliators shall issue their decision in writing no later than thirty (30) days after the date on which the initial meeting of the parties was held, and the decision shall be final and binding on all parties. The written decision shall be signed by all the conciliators, with the dissent of any conciliator properly noted, and a copy of the written decision shall be provided to all parties, the district governor or, in the event the complaint is directed against the district governor, the immediate past district governor and, to the legal division of Lions Clubs International. The decision of the conciliators must be consistent with any applicable provisions of the International, Multiple District and District Constitutions and By-Laws and policies of the International Board of Directors, and is subject to the authority of and further review by the International Board of Directors at the sole discretion of the International Board of Directors or its designee.

Failure to comply with the final and binding decision of the conciliators constitutes conduct unbecoming a Lion and is subject to loss of membership privileges and/or charter cancellation.

ARTICLE IX: AMENDMENTS

Section 1. AMENDING PROCEDURE: This constitution may be amended only at a district convention, by resolution of the Constitution and By-Laws Committee and adopted by the affirmative vote of two-thirds (2/3) of the votes cast.

Standard Ballot District Governor, First Vice District Governor & Second Vice District Governor Elections

Sample 1: Ballot where there are two candidates.

Instructions: Clearly indicate your vote by placing an appropriate symbol* in the box next to the name of the candidate you are casting your vote for. (*Please note that the district should indicate the appropriate symbol to use or approved stamp provided to all voters)

Position	Name	Vote
First Vice District Governor	Candidate A	
	Candidate B	

Sample 2: Ballot where there is only one candidate.

Instructions: Clearly indicate your vote by placing an appropriate symbol** in the box indicating a yes or a no vote for the candidate. (**Please note that the district should indicate the appropriate symbol to use or approved stamp provided to all voters. In addition, a candidate must receive a majority of affirmative votes to move forward. If there is a tie between a yes and no vote, the candidate would not have received the required number of votes to be elected and it would result in a vacancy)

Position	Name	Yes	No
District Governor	Candidate A		

Sample 3: Ballot where there are three or more candidates:

(Note: There are a few different options when there is more than one candidate. If time permits, you may have the voter indicate their selection next to the candidate they wish to vote for. If no candidate receives a majority of the votes, then the candidate with the lowest amount of votes is dropped off the ballot and another vote is taken (The ballot would look like Sample #1 above). This process would continue until a candidate receives the required number of votes. As most districts do not have the time to conduct such a lengthy process, the option of Preferential Voting allows the voter to complete one ballot. Following is an example of a Preferential Voting Ballot):

Instructions. Indicate your preference by clearly marking next to each candidate's name a number (1, 2, 3 or 4) indicating your preference in the order in which you would elect the candidate (i.e., 1, representing highest preference, 2 - next preference, etc).

Position	Name	Preference /Rank
Second Vice District Governor:	Candidate A	4
	Candidate B	2
	Candidate C	1
	Candidate D	3

Rules for Preferential Voting:

1. On the preferential ballot - for each office to be filled the voter is asked to indicate the order in which he prefers all the candidates, placing the numeral 1 beside his first preference, the numeral 2 beside his second preference, and so on for every possible choice.

2. In counting the votes for a given office, the ballots are arranged in piles according to the indicated first preferences - one pile for each candidate.

3. The number of ballots in each pile is then recorded for the tellers' report. These piles remain identified with the names of the same candidates throughout the counting procedure until all but one are eliminated as described below.

4. If more than half of the ballots show one candidate indicated as first choice, that choice has a majority in the ordinary sense and the candidate is elected. But if there is no such majority, candidates are eliminated one by one, beginning with the least popular, until one prevails, as follows:

(a) The ballots in the thinnest pile - that is, those containing the name designated as first choice by the fewest number of voters - are redistributed into the other piles according to the names marked as second choice on these ballots.

(b) The number of ballots in each remaining pile after this distribution is again recorded.

(c) If more than half of the ballots are now in one pile, that candidate is elected. If not, the next least popular candidate is similarly eliminated, by taking the thinnest remaining pile and redistributing its ballots according to their second choices into the other piles, except that, if the name eliminated in the last distribution is indicated as second choice on a ballot, that ballot is placed accordingly to its third choice.

(d) Again the number of ballots in each existing pile is recorded, and if necessary, the process is repeated - by redistributing each time the ballots in the thinnest remaining pile, according to the marked second choice or most-preferred choice among those not yet eliminated - until one pile contains more than half of the ballots, the result being thereby determined.

(e) The tellers' report consists of a table listing all candidates, with the number of ballots that were in each pile after each successive distribution.

5. If a ballot having one or more names not marked with any numeral comes up for placement at any stage of the counting and all of its

marked names have been eliminated, it should not be placed in any pile, but should be set aside.

6. If at any point two or more candidates are tied for the least popular position, the ballots in their piles are redistributed in a single step, all of the tied names being treated as eliminated.

7. In the event of a tie in the winning position - which would imply that the elimination process is continued until the ballots are reduced to two or more equal piles - the election should be resolved in favor of the candidate that was strongest in terms of first choice (by referring to the record of the first distribution).
