

NEWBRIDGE
ON THE CHARLES

Dr. Miriam and Sheldon G. Adelson Campus

April 20, 2018

Greetings,

After traveling more than 20,000 miles (35.2 million yards, 32.2 billion millimeters or 0.000000034 light years), it's good to be back home, sleeping in my own bed, eating "normal" food, and returning to a normal sleep cycle. Ironically, my wife, Pam, is traveling to Atlanta for the weekend, so I'll continue to be a bachelor, sadly staring off into space awaiting her return.

Next Wednesday is Earth Day. Our Environmental Stewardship Committee will be publishing an update of our efforts and a list of some of the activities happening next week.

Reminder – The Relay for Life for Dedham, Wellesley and Needham is getting closer – May 19, 2018. Buses will be available for participants! Speaking of which, it's not too late to join the NBOC team. An American Cancer Society staff member, Kelly Banks, will be in Nosh by the fireplace on Wednesday, April 25th from 10:30 a.m. – 12 noon, and on Friday, April 27th from 10 a.m. – 12 noon. Should you have any questions, please call Judy or David Rosenthal at 4 – 2329.

We continue our quarterly fire testing next week with the Villas, South Apartments and garage effected. Please refer to the enclosed flyer for details.

5000 Great Meadow Road, Dedham, MA 02026
Main: 781 234-9500 Sales and Marketing: 781-234-9020

We have two residents who will be turning 100 in the next few weeks. Please join us in celebrating with Leni Karlin and Helen Fuchs on Wednesday, April 25 at 3:30 p.m. in the Winter Garden near Nosh. Let's give our soon-to-be centenarians a great celebration.

Enjoy the spring-like weather this weekend,

Steve Colwell
