

NEWBRIDGE ON THE CHARLES

 Hebrew SeniorLife

Dr. Miriam and Sheldon G. Adelson Campus

August 3, 2018

Hello Everyone,

Thanks to Diana Bronner's research, we verified that residents are able to put the Amazon plastic mailers into our NewBridge bins for collecting plastic bags. We have been assured that these Amazon mailers do not compromise the process used by Whole Foods for repurposing plastic bags. Also, I'd like to extend a quick thank you to Carol Clingan and Jim Feldman for regularly taking our collection of bags to Whole Foods for repurposing.

I have a couple of resident dinners coming up (see the enclosed flyer). Please contact Emily Berkowitz, 4-9035, to make arrangements to join me for dinner in September and October.

Jeanne Stolbach wrote to me about two very important dates coming up. You need to register to vote no later than August 15 in order to vote in the Primary Election on Tuesday, September 4. Furthermore, if you wish to participate in any signature gathering campaign for ballot questions, you must be registered to vote prior to your signing. Enrolling may be done with the Dedham Town Clerk which opens every week day at 8:30am. Wednesdays offer longer hours if you need them (open until 7pm). Jeanne has also graciously offered to answer any questions you may have (4-2715).

After the last community meeting, I met with Len Green and Marilyn Stone about the subjects discussed at the resident meeting portion. Based on your suggestions, we will be:

- Changing our resident orientation to include a list of resident committees and their chairpersons,
- Replacing the patio furniture before barbecue season next year,

5000 Great Meadow Road, Dedham, MA 02026
Main: 781 234-9500 Sales and Marketing: 781-234-9020

- Reinstalling the insulation around the terrace doors, and
- Retesting the temperature ranges in the hallways of the villas and apartments.

I would also like to remind everyone that we *do* have smaller portions available on the Centro menu. As always, the management team welcomes your feedback. Thanks.

Pam is busy planning our trip to our final two states. Based on your feedback about the cities in the Midwest we are visiting, here is the list of things which are absolutely must-see:

Should be an ~~interesting~~ fascinating trip.

Stay cool this weekend,

Steve Colwell
