FOR IMMEDIATE RELEASE

SALISBURY BANK OFFERS FREE SEMINAR ON INTERNET SECURITY: SAVVY, SAFE, SECURE

Lakeville, CT – September 30, 2016 – Salisbury Bank is offering a free seminar with valuable information about Internet Security. In the seminar you will learn how hackers invade computers to steal financial information, what you can do to avoid being vulnerable to a computer breach, and what to do if you have been hacked.

Presenter Dave Hall is the President of CompuWorks and has over 25 years of experience managing and maintaining the safety of computer networks for a variety of companies in the Northeast. Mr. Hall assists companies to prevent computer attacks and rescues those who have been victimized by external or internal attacks.
