

JOIN US FOR OUR FIRST EVER "POP UP" SHOW THROUGH OCTOBER 2ND

Due to a unique circumstance we are exhibiting art created by a "mystery" artist whose name we will only reveal when you visit. We are solely using social media to drive visits to our Gallery so we are counting on you to visit and tell your friends about this show. Simply stated, the art is beautiful, eclectic and affordable.

If you like what you see below, they represent only a small sample of the twenty- four pieces up on our walls.

We really enjoyed our visit to the artist's studio and being able to choose art that we think you will enjoy.

Although our Fall hours are Friday to Sunday from 12 to 5PM, we are always available by appointment or by chance.
