Prayer Request from Southern Baptist Church in Poplar, MT

Pastor Daniel received the following message and asked that we make it a matter of prayer:

“A group of men, some who are young fathers, are going through the series for young believers using the “Beginning Steps” by the North American Mission Board to establish them in the faith.

Please pray for the Holy Spirit’s receptivity for these men.

One had already submitted to water baptism as a result of the study, in partnership with Menuchah Ministry. They are also doing “Steps To Freedom” by Neil Anderson with some of the men. The purpose of this series is to deliver our members from demonic influences and bondage brought about by their participation in traditional Indian Religion and ancestral worship. Without going into the detail, the process can be messy at times, but the results are amazing!

Please pray for protection for Robin and Helen, for the powerful manifestation of the power of God and outpouring of the power and presence of the Holy Spirit.”

We'd love to pray for you! Update our online prayer chain by going to easthaven.org. Click *resources*, then *prayer*. Click on *share your prayer request* and fill out the form.
