The Cal Ripken Collegiate Baseball League is an amateur summer wooden bat baseball league comprised of ten teams that play across the Baltimore-Washington Metropolitan Region. Founded in 2005, the Ripken League attracts top college players from across the nation to come to our area and play a 40 game regular season schedule each June and July followed by a League Championship Series.

In Montgomery County, more people than you can imagine struggle to put food on the table. With this challenging economy, significantly more families continue to request food each month from Manna Food Center. This summer, you can help our neighbors in need by supporting the Eighth Annual Cal Ripken Collegiate Baseball League's Feed the Hungry Challenge.

Each family that donates two or more cans or boxes of food will receive a free family pass for four to a regular season game this June or July at your favorite Cal Ripken League ballpark. The team whose fans donate the most food will win the Annual Challenge Cup.
