Tactical Medical for First Responders

**Lincoln, NE
May 18 or 19, 2017**

Program Focus:

The Tactical Medical for First Responders program is a 1-day training designed to define a Medical Threat Assessment, to include a medical plan for a tactical operation. Students will learn how to apply techniques to control life threatening bleeding during Care under Fire in a (HOT ZONE). Additionally, they will perform techniques to treat life threatening and non-life threatening injuries during Tactical Field Care in a (WARM ZONE). During the program students will demonstrate lifting, moving and extricating victims from a tactical or hostile environment during Tactical Evacuation Care.

Who Should Attend:

Qualified attendees must be U.S. citizens who are employed as sworn law enforcement officers by a state, local or tribal government office and authorized to attend this training in support of official duties.

*Students are encouraged to proper clothing (e.g., BDU pants, t-shirt or compatible clothing) for skill drills that include being dragged and carried.

Cost: TUITION-FREE (Attendees are responsible for all travel, lodging and meal expenses.)

Applicant Information:

Go to <https://sass.fletc.dhs.gov/fast/> and select the program, date and/or location for the training you are interested in from the list and complete all of the requested information. Note that the application process does not guarantee a seat in the class. If the location and/or program you are looking for is not visible, it means that particular program is filled and is closed to applicants.
